Patterns

## What you do:

1. Pin pattern pieces onto felt matching pattern colors, cut out.
2. Put 2 antler pieces together and slip stitch together, repeat with other antler. Take one head piece and tack antlers to sides of head. Set aside.
3. Take an outer ear piece and sew inner ear to it, then take another outer ear piece and place behind first, slip stitch around ear repeat with other ear. Tack ears under antlers at a slight downward angle.
4. Now, place the muzzle on face (head), about 1/2" from bottom of head sew on, attach nose to center top of muzzle. Put outer eye pieces on either side of nose, sew on. Add black inner eye piece on top outer eye sew on.
5. Take second head piece and place in back of first head and slip stitch together. Sew on holly leaves and berries by on antler, string to hang it with at the top of head centered between antlers.
